

REXEL SELECTED FOR INCLUSION IN FOUR NYSE EURONEXT MARKET INDICES

Rexel, the world leader in the distribution of electrical supplies, has been selected by the Expert Commission, the Indices Committee of NYSE Euronext, for inclusion in four stock market indices, including the SBF 120, as of June 18, 2007.

This decision follows the successful completion of Rexel's Initial Public Offering, in the form of a 1.015 billion euro capital increase, on April 4, 2007.

In addition to the SBF 120 index, Rexel will also enter the SBF 250, the CAC MID100 and the CAC AllShares indices:

- The SBF 120 index is composed of the 120 most important French listed stocks that are the most actively traded and enjoy the greatest liquidity.
- The SBF 250 index represents the 250 largest stocks by capitalization traded on Euronext Paris whose annual trading volume exceeds 5% of their share capital.
- The CAC MID100 index comprises the 100 largest stocks by market capitalization after the 60 stocks making up the CAC 40 and CAC Next20 indices.
- The CAC AllShares index includes all the stocks listed on Euronext Paris whose annual trading volume exceeds 5% of their share capital, irrespective of market capitalization.
